CATAMARAN EXPERIENCE

Your chance to get a real feel for catamaran sailing with a qualified skipper.

All on a beautiful new Broadblue 385

The premise is that you are already keen sailors and perhaps have Competent Crew, Yachtmaster etc. Our aim is not to train or give out qualifications. This is definitely a hands on "Catamaran Experience" to give you a feel and taste for how they handle, compared to a mono. All sailing will be conducted on our own new Broadblue 385 and the sailing area will encompass Chichester Yacht Harbour and the Solent.

The experience is available to adults on a two day basis. Contact us for full details and application form:

ABOUT YOUR SKIPPER

GEOFF LINTER

Credentials: Yacht Master Offshore (Commercial) + Circumnavigation on a 38ft Ocean Twins Catamaran

From dinghy sailing in the 70's and mono sailing till 1990 when he saw the light and bought his first catamaran, Geoff has been continually involved with the sea. He has been a very active member in the Heavenly Twins Cruising Association, an instructor for RYA Yachtmaster & Day Skipper, a charter skipper for Round Britain and the Canary Islands. Finally he set off with his wife Chrissie on a world cruise in 1996 returning to the UK in 2005. During this time he sailed from Falmouth to Madeira then on to the Caribbean, Venezuela, Panama, followed by Tahiti, Australia, Indonesia, Sri Lanka, Djibuti, Egypt, Israel, Turkey (there is not enough room to list them all, some of which I only believed where in my stamp album) before returning home.

A total of 35 years sailing experience and over 65,000 nautical miles logged!

What you can expect to experience:

- Sailing to windward
- Twin engine manoeuvring
- Marina berthing
- Anchoring
- Beaching
- Sail handling - trimming/reefing
- If you can think of anything else, just ask the skipper!
